

**BCATML**  
BC ASSOCIATION OF TEACHERS OF MODERN LANGUAGES

The BCATML is inviting members to join us for this free members-only webinar series based on Jennifer Serravallo's new book: *Connecting with Students Online: Strategies for Remote Teaching & Learning*. This initiative is intended to support Second Language teachers in case you are called upon to engage in remote teaching during the 2022 school year.

This unprecedented pandemic has changed the definition of classroom, but it doesn't have to change your definition of good teaching. Jennifer Serravallo's *Connecting with Students Online* gives you concise, doable suggestions based on her own experiences and those of the teachers, administrators, and coaches she has communicated with during the pandemic. If you do not already have a copy of the book, it is available through Pearson or Amazon.

Nicole Sanchez (@gunderchez) a Spanish literacy specialist will be presenting three dynamic Zoom sessions filled with strategies to engage second language learners remotely. While Nicole teaches Spanish, these strategies are for teachers of any additional language.

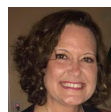

No registration is required. Please join us by clicking the links below 5 minutes before the posted times. Please note that the days of the week and times vary to suit the schedules of a variety of participants. Come once or come to all three sessions and bring your questions!
