The Executive of the BCATML  
is a group of dedicated  
language teachers who  
volunteer their time to  
represent members' interests  
as they relate to language  
education in BC.

We look forward to seeing  
you at the 2022 Celebrating  
Languages Without Borders  
Conference in Richmond on  
October 21, 2022!

Details about our annual

# B.C. Association of Teachers of Modern Languages

The BCATML is a Provincial Specialist Association (PSA) of the BC Teachers' Federation. We represent second language teachers in BC including French, German, Japanese, Mandarin, Punjabi, Spanish, and more.

Membership in the BCATML is not automatic. Like other PSAs, teachers need to join and pay annual dues to be a member. Check with your local Pro-D Rep to see if your local teachers' association can reimburse the cost through your Pro-D funds!

To become a member, go to the BCATML website at [www.bcatml.org](http://www.bcatml.org). The BCATML website also offers great links for language teachers and will help keep you up to date on the latest language news, such as the redesigned curriculum which the BCATML helped to write with the Ministry.

Formed in 1958, the BCATML has been actively working for language teachers for over six decades. Let's continue the conversation and celebrate languages and culture together!

## What we do:
